PROFILE

I'm a self taught Front-End developer; I have an in-depth knowledge and passion in the field of Website and Web App development in the Front-End part, developing Responsive web design for mobile/tablet or any display resolution.

I'm always open to learn and try something new in Front-End development.

I'm a fast learner, able to pick up new skills and juggle different projects and roles.

SKILLS

Languages/Frameworks:

HTML, CSS, Bootstrap, JavaScript, jQuery, ReactJs, Redux.

Software/Tools:

Git/GitHub, Adobe illustrator, WordPress, VsCode.

Soft skills

- Efficient and effective communication skills.
- Self-organized and able to work independently.
- Passion and hunger for excellence.
- Motivated to take on new challenges.
- Great time management for faster and efficient work.

PROJECTS

REST Countries Api – [view code](#) – [visit](#)

It is a REST API App, bootstrapped with "create-react-app". A user would be able to:

- See all countries from API on homepage
- Search for a country using input field,
- Filter countries by region
- Click on a country to see more detailed information.

Tools Used: HTML, CSS, Bootstrap, ReactJs, Redux, REST Countries.

ROCK PAPER SCISSORS GAME

– [view code](#)

– [visit](#)

A game played between user and computer. If the player wins, they gain 1 point. If the computer wins, the player loses one point.

A user should be able to Maintain the state of the score after refreshing the browser.

Tools Used: HTML, CSS, Bootstrap, jQuery.

EASY BANK

– [view code](#)

– [visit](#)

It is a responsive mobile-first Landing page.

Tools Used: HTML, CSS, Bootstrap, jQuery.

TODO APP

– [view code](#)

– [visit](#)

A web app that makes easy to add tasks. User would be able to:

- Add a to-do in a list
- Mark a to-do as completed
- Delete a to-do in a list

Tools Used: HTML, CSS, ReactJs,

EXPERIENCE:

Self-Employed

Remote

FRONT-END WEB DEVELOPER

Aug.2020 - Present

As a freelance frontend developer I had a chance to work with several clients remotely.

- I have created responsive websites, web apps and landing pages.
- Designed & developed WordPress blogs and websites.

Independent Planners Limited

LAND SURVEYOR

Dar es Salaam, Tanzania

Sept.2018-Feb.2020

As a Land Surveyor/ Geomatician, I was involved in designing, conducting and managing some projects including Land Formalization, Cadastral Surveying, and Engineering Survey.

- Establishing ground control points to be used in surveying works.
- Designed layout of the roadway, set the centre lines and cuts and fills for grading.
- Topographic survey to determine contours and both natural and man-made features along the road.
- Conducted and ensured demarcation of surveying plots and coordination of plots then beacons erection.
- Prepared cadastral data from the field, drawing cadastral plans and compilation of cadastral file.
